Intern joins Kids Ministry

A new member has joined the Kids Ministry team at Moses Lake Alliance Church. Chrissy McConkey began a three month internship on Jan. 15. Chrissy is Pam Swedburg's niece and will complete her bachelor's degree in Christian Ministry with an emphasis on Children's Ministry at Ozark Christian Collage in Joplin, Missouri.

"I am so excited to have Chrissy here," Pam said. "I am looking forward to having her help us in all areas of Kids Ministry."

Chrissy grew up in Lewistown, Montana. She first became interested in children's ministry after taking a missions trip to an orphanage in Mexico her junior and senior year of high school. This interest led her to volunteer to teach Sunday school at her church. Since then, she has had experience teaching children of a variety of ages about God.

Following her graduation in May, Chrissy plans to find a position at a church working in children's ministry. She hopes to someday work in an overseas orphanage.

Throughout her internship at Moses Lake Alliance Church, Chrissy hopes to gain experience and knowledge in kids ministry.

"So far I have enjoyed seeing and learning how kids ministry here at MLAC works," Chrissy said. "I have seen how people work together to make an impact in a ministry that is thriving."
